Vivian	Bull	75208	Mr. McCann is so amazing. His classes are really fun, and we learn a lot. We won nor band and had fun doing it!
Matt	Bull	75208	Mr. McCann is the rare teacher who is both extraordinarily effective and beloved by students. Transferring him is the latest in a series of slaps in the face to parents by a tone deaf and out of touch principal.
DeAne	Kennedy	75232	
Kramer	Morgan	75230	I went to Travis for 5 years and he was the one who started my passion for music. I now want to continue into college and it's all thanks to him. KEEP HIM AT TRAVIS
Kathi	Allman	75208	Mr McCann is an integral part of the Travis "Success Story". He is able to help each student find their niche in the band, adapt his teaching methodologies to engage and motivate high performing students, and foster both teamwork and a love for music. He is a unique teacher and DISD is well served by having him at Travis .
juliana	allman	75208	
Briana	C	75223	I had Mr Mccan as my band director all throughout middle school and he was a big part of my Travis life, if we get rid of him as the band director it will not be the same. he is a band teacher, he makes it simple to learn how to play an instrument. Please don't get rid of him
Katrina	Moore	75206	Mr. McCann taught me how to play clarinet and understand music.
Abigail	Cartwright	75218	
Julie	Graves	75214	I grew up in music and know how important a band director can be to students
Jonathan	C.	75214	Please keep Mr. McCann. He is a an excellent teacher.
Mary	Garcia	75228	Mr. McCann is an incredible band teacher. Please consider the kids and how hard they have worked under his leadership to get to this point. Please do not punish the kids.
Marcy	Wright	75214	My daughter said that her friends wanted to have Mr. McCann as their band teacher for next year, so I decided to sign the petition to allow him to do this.

James	Stanley	75214 My daughter is a rising 7th grader at Travis. She was in band for the first time and had a tremendous experience with Mr. McCann. It will be truly a shame if he is moved to another school against his wishes and to the detriment of Travis and its students.
Dennis	Coleman	75228 My daughter needs Mr. McCann to keep teaching band at Travis and keep inspiring her to develop as a musician!
Heath	Simpson	75214 With all the changes going on at Travis why remove one of our shining stars? Mr. McCann has a great track record of success in teaching kids to play music, and has put Travis on the map in terms of being a great band school. Why ruin it?
David	Canright	75206 Mr. McCann is the most talented music teacher in the city. He is a key part of what makes Travis special. He has changed the lives of countless students by showing them just how fun, accessible, and rewarding music can be.
Kristina	Semos	11238 I am a product of DISD and the band programs, and don't want to see these amazing kids get disqualified!!!
Susan	Luce	75230 People work hardest when they're happy. Reward the hardworkers by giving them what they have earned...the right to decide where they want to be.
Scott	Eldredge	75218
Sally	Kompare	75229 Don't try to fix something that isn't broken.
Jordan	Rhodes	75218

Ellen	Drake	75214 My child attends this school. Consistency in good teachers is important.
Jenia	Turner	75225

Becky	Armstrong	75214 My daughter is not in band yet, but we've been anxiously awaiting her turn. Look at all these comments-why wouldn't we want to keep such an inspirational teacher?!!
Quincy	Farris	75218 He is such an amazing teacher. All of the band students have done amazing because of him.
Kate	Pinkerton	75208 Because he was my band director and he was the reason why we won as many competitions as we did.
Queenir	Randall	75244 Because he is a Great Teacher.
Clay	Seifert	75214 He's radðŸ™ˆ
Jackie	Randall	75254 My son is a band member an he has inspired him in more ways than one.
Henry	Haas	75214 Mr.McCann was an amazing teacher. He was kind, diligent, and extremely hard working, and it seems very unjust that he is being transferred after so many years of love for Travis. We want him to STAY
Chris	Bolding	75208
Chris	Moffett	75208 He is loved by his students!
Chris	C.	75244 Mr McCann cares about the kids and does an excellent job and has for many years. Everyone affiliated with the school knows that.
Betty	Cedillo	75228
Angela	Smith	75228
Meeidith	Manning	75229
Gudrun	vanGeenen	75214 My son had a great experience in Mr. McCann's class for all 5 years at Travis. It would be a big loss for the school if he is forced to leave. I wonder what the true reason is for this very unjust development.
Devon	Sharp	75218 It's important to my friend, who is a parent of a band member, and I want to support her and the cause.
Martha	Vazquez	75217 He is a good teacher
Tami	Darlington	75223 Mr McCann changed my older daughter's life. He challenged her to start the bassoon in grade 6. She has now been a 2 year All State band student attending Booker T Washington HS for performing arts. Most importantly she has been accepted and will attend UT majoring in Music Education this Fall.

Ann	Romine	75208
Fletcher	Mantooth	75229 Mr. McCann is awesome
Jeannie	Canright	75206 I have been a Travis Band parent for five years and have only positive things to say about Mr. McCann and his music program. Please keep Mr. McCann at Travis.
Emma	L.	75214 Mr. Mcann has taught our school so much in the years that I have been at Travis. We have worked so hard to acheive a goal that we all set our sights on. This goal is state honor band. Our goal will never be achieved if Mr. Mcann, our beloved band director, is forced to leave. DISD has given us hope and is now taking it all away.
Heather	Schambeau	75218
Eva	Lloyd	75214 Mr. McCann taught my child to love creating music & that is absolutely the very best gift a band teacher can give a student! It is a tragedy to take such a talented teacher away from a school filled with students eager to learn &. who have the drive and smart minds to make their dreams come true AND make DISD shine! My family, and my child especially, is devastated that her hours & hours of hard work qualifying for one of the mist competitive honors in Texas will be WASTED b/c of Mr. McCann's move
Max	Dahlgren	75214 Mr. MCCANN is an exceptional band director, his achievements as Travis band director make that clear. There is no good reason for him to be forced to transfer to another school. He has inspired my kids and he continues to inspire my two kids. Max Dahlgren
Diana	Bacon	75238 We are new to the school and new to DISD. I am shocked that the work of these students is being disregarded. The students should be able to compete. This transfer is a bit alarming for a new family.
Becky	Moffett	75208 Mr. McCann has been an inspiration for my daughter and she thrives in band. Why screw up something that has been so positive for our children?
zion	melaku	75212 lol because if he's gone then so is our chance to win state honor band

160720 McCann Signatures

Jon	Bernstein	75231 Kids love him, band sounds terrific, they win awards. That's all I need to know.
Stephanie	Guywein	75230
Aliyah	Bello	75227 Mr. McCann is an amazing teacher. And Travis will and can not be the same without him
Indi	Esneault	75214 he is the best band teacher ever
Barbara	Springs	75214
Sabina	Bramlett	75214 Travis needs Mr. McCann. He inspires excellence that our students could not achieve without him. Please don't take one of our treasured teachers away.
Marv	Bramlett	75214 Mr. McCann is the heart & soul of the Travis Honor Band. The parents and students are united in our belief that Mr. McCann needs to stay at Travis. Thank you.
Alison	Nguyen	75214 To deprive the students of the opportunity to compete after all their dedication and hard work is heartbreaking. Please use your compassion and common sense when considering the damage losing Mr. McCann will cause.
Kim	Whitkaer	75204 This doesn't even make any sense. Why would DISD transfer a respected teacher, who has obviously done an amazing amount of work with his students to get them ready for this. ready for such a prestigious honor. It would be a shame to let the student me hard work amount to nothing.
Gina	Hamada	75229 This is a double blow to the band students who have been working very hard to achieve this honor... 1st is depriving them of a competition they have earned the right to partake in and 2nd taking away a most beloved teacher.
Tad	Miller	75218
Ethan	Hale	75214 he's litōŸ”¥

160720 McCann Signatures

Alesia	Pearson	75218 To transfer the band director on the eve of their competition to achieve State Honor Band is just heartbreaking! Please allow him to stay at Travis one more year and give this band an opportunity to earn and receive the recognition they have worked so hard for and to represent DISD so well!
Kenneth	Lasley	75230 Mr McCann is essential to the advanced program at Travis - without him the music program will not be as strong. Additionally the fact that the kids will not get to go to Honors band is a travesty.
Sydney	Gutwein	75230 I'm not in the Travis Band, but I had Mr. McCann in the 5th grade and thought he was a wonderful teacher. I think he should stay; my friends that are in band learned a lot from him.
Allison	Levy	75220 Disd should want high quality schools and not try to "even " out every school with bad decisions like this. Why should hard working smart kids be held to the lowest common denominator
Angie	L.	75220 I have never had Mr. McCann but everyone seems so happy with him and ive never had any problems with him and i hope we can keep him as part of Travis teachers.
nelda	hernandez	75220 Mr.McCann is a great teacher that travis cant afford to lose.his connection to travis is very special and there will be no connection like this at any other school. travis is the only place he can,he should, and he will be at.
Edgar	C.	75211 keep Mr. McCan at Travis since students learn, show, and get passionate about more than just music with his teaching. Please let him stay at Travis.
Marcela	Solis	75211 Mr. McCan was my son's teacher for more than three years, very professional, dedicated, good person and will be my doughter's teacher if you let him stay at Travis. We CAN NOT lose Him!!!
May	Yang	75248
Gloria	Giudici	33418
Andrea	Lasley	75230 Mr. McCann is one of the very best teachers at Travis TAG. We do not want to see him go and we do not want to see the Honor's band get disqualified from their upcoming competition. Please keep Mr. McCann. The parents love him and the children love him.

MariaNelda Kiera	Hernandez McCollom	75220 75214 I have been Mr. McCann's student for 5 years, in which he has taught me so much. He pushes us to be the best we can be, and all of Travis needs him.
Sam	Hooper	75206 Because I don't think that the Travis band could survive without Mr. McCann
Bryan Madi Kim	Miller Haggard Powell	75230 75206 He has been an amazing teacher and director and we will all miss him 75223 My daughter goes to Travis. It is sad to see students work hard to achieve something and then have it taken away.
Johnathan Bushra Timothy	Russel Amarneh Flowers	75229 Mr. McCann is an awesome band director! 75244 75229 My son has a great time playing his instrument in school, and an even better time showcasing to me at home what his great band director, Mr. McCann, has taught him! Let's keep Mr. McCann at Travis!
Lynn	Flowers	75229 My son has enjoyed band with Mr. McCann, and going to his concerts just showed me how productive Mr. McCann is. He should not have to leave Travis.
Samantha Amelia	Wu MP	75206 75218 Mr. McCann was an amazing teacher. He taught all of us how to play an instrument and should not be moved.
Nia	Parson	75218 Mr. McCann is one of the most dedicated, excellent teachers my daughter has ever had during her 7 years in DISD. He is musically talented and knows how to train his students so that their best shines.
Ashley Amy	ONeill Stewart	75214 75214 Why on earth would DISD move a successful band director against both his wishes and the wishes of the parents and students?!
Jennifer Traci	Williams Mitchell	75214 75520 This not fair to these kids who have worked so hard! Please do not move him, keep him at Travis!
Peter	Lando	75214 Because band is important to education.

160720 McCann Signatures

Olivia	Wyly	75227 I have had a couple rather negetive encounters with Mr.Mccan and although his words were quite unnecessary and hurtful I do believe that he is an effective teacher. I agree with Mrs.Smith about his attitude towards non-band students and the repercussions she wants to take however all of Travis including faculty (who are all amazing) and non-band students have worked hard to get our Travis band team to state, they should not be effected by his actions.
Isabelle	Gibson	75244 Mr. McCann is the best band teacher Travis has ever had and has contributed to many school activities including concerts, competitions, and parties. I don't know what we would do without him.
Amy	Gibson	75230 You don't need to move a great teacher who is doing everything right!
Christy	Tornelli	75223 This is important to me because when you come across a teacher who means so much to young children that they find a way to stand behind him and make their small, yet powerful, voices heard, he must be pretty special.
Gina	Stanley	78676 My granddaughter is a student of Mr McCan, she plays the Oboe, Mr McCan has encouraged her to improve her musical skills and her love of music. She respects Mr. McCan & enjoys his class, please reconsider the decision and keep Mr McCann at Travis.
Bertha	Zapata	75243 My granddaughter attends Travis. He has inspired her tremendously in her first year. Please do what is right.
Chris	Widhelm	75218 We should not transfer teachers who are doing an excellent job.
Camryn	Adcox	75229 Because Mr.McCann is the band director of my school
Beth	Rainey	75218
Lili	Elbe	75254
Connor	Norton	75214 Mr McCann is an amazing band director as well as an amazing person whom I feel Travis shouldn't have to lose. As a participant in the state honor band recording last year, I think it would be wrong to deny us the opportunity to rank our progress against that of our peers, and I could assure anyone that the results would show just how much he's taught all of us in the last 1-5 years. Don't make him transfer.

160720 McCann Signatures

Jennifer	Holt	77534 I've never actually met Mr. McCann, but he seems to positively affect all of his students. They obviously love him, or this petition wouldn't exist. As a band student with a bad teacher, you shouldn't get rid of a good director if you can get your hands on one.
Michele	Gulley	75220
Myion	Hicks	75204 He really is a great teacher and he's the best of the best
Ella	Squibb	75229
Bettyann	Lasley	75093 My granddaughter loved this teacher. Please keep him at Travis.
Taber	Squibb	75229
Cael	Squibb	75229 He's the best teacher there is, winning practically every single competition, proving his lessons well taught, so he should keep teaching with us at his timberwolf home!
Riya	Reddy	75229
Luis	Gomez	75228 He's a good teacher
Malena	Lopez	75228
Sherly	Padron	75220

emily	morris	75208 He was an amazing band teacher and I learned a lot from him throughout the five years that he instructed me. I would hate for other Travus students to miss out on his class
Sophia	Lasley	75248 Mr. MCann is an amazing, talented band director, conductor, and teacher. I was one of his students and he taught me many new things. He helped our band progress immensely and we won Most Outstanding Band at the competitions because of him! He was a phenomenal teacher. Please keep him at Travis!!!
Dilyan	Arizmendi	75237
Loren	Lasley	75248 He was a great band director and it isn't fair to the honors band that they can't go to the championship because he was moved.
Valerie	C.	75211 Mr.McCann is a phenomenal band teacher and an integral part of Travis.

Brian	Walker	75225
Angel	Rosales	75214
Luis	Oviedo	75211 I am a Travis alumni. Mr. McCann was my band teacher of five years, and he inspired me and all of my classmates to form a love for music. Mr. McCann was the only teacher I had that was able to get us to be our very best and try our very hardest solely on his words and actions. He is an inspiration to all of his students. We need him to stay at Travis.
Josie	Guthrey	75225 He is the best band teacher ever!!!! Please don't make him leave
Sebastian	Silva	75211
Gracie	Darlington	75223
Aryel	Carreon	75211 He's the best we have, we can't lose him.
Hannah	Peaslee	75214 Even though I don't take the bands, all of my band friends who go to competitions love him and I think we all know he is an amazing teacher
Elizabeth	Blewett	75214 Although I am not in band, I have many friends who do participate in it. Mr. McCan has changed the lives of many students for the better and the incoming students will be deprived of the many opportunities that he offers.
shay	smith	75214
Amy	Brown	75218 He is awesome and my kids love him!
Max	ChowGillette	75218
Tina	Vannaboun	76177 My friend told me i should help so i decided to help
Dana	Jones	75208 Our children Should not have to suffer due problem between grown ups. If there are issues to be addressed, I would hope that they can be settled without ruining the hard work of our honor band.

Lily	Gilbreath	75214 Mr. McCann was an amazing band director who simultaneously made me feel comfortable in class and challenged me to do my best. He always does what is best for the band and wants us to succeed at everything we do and is a diamond in the ruff at Travis and should be allowed to continue to be one.
Caitlyn	Saucedo	75201
Snoop	Dogg	75229 Keep the band teacher man.
Martina	DOrso	75214 Although I do not take band, I had Mr.Mccan in 5th grade. I can say that he really helped me level up with the other kids. He helped me understand notes, tempo, and I really enjoyed learning the songs.
Matthew	Allen	13648 Because my friend told me to
Victor	Alvarez	75214 Mr. McCann was an incredible band director throughout my time at Travis. We have learned so much and gotten so far with him and it it just silly to throw all of that away.
Chris	L	75224 I have a friend and she's told me this teacher means a lot to her. I think he should stay because he's a fun teacher and he's made my friend love music more than she ever will
Axel	Mahagony	33167 He's a really cool dude. Looks like a biker. I want him to stay.
Light	Yagami	75006 Mr.McCann is a very good director from what I heard. He likes apples a lot and he's made Travis get many awards. He deserves to stay. Thanks.
Caitlin	Pennington	47172 My friend likes the teacher and I like her so, I'm helping her.
Koko	Chen	75001 bc hes a good band director and yeah he shouldnt leave
Julianne	Tai	75218 Although I am not in band, I am adamant that Mr.McCann always loved his Travis band very much. When passing by his band portable, I heard the sound of music created by his students. He nurtured each child to learn and love music, something that unique in its own way. He would sacrifice so much for his students and I know he would always love to remain with his Travis family. So many of Travis's accomplishments are from the Band, and to deprive Travis of their teacher would be a shame.

Nathalie	Medrano	75051 Mr. McCann is an amazing director that always led the Travis band to success. I was one of his students for three years and in those three years he taught me how to play the clarinet and now entering my sophomore year of marching band I still use all the techniques that he taught me from my years at Travis. I was also in the band when we entered the Texas state competition and I would hate to see that the band had another opportunity to go but couldn't because of his transfer.
Andrew	Riojas	75227 Mr. McCann was an outstanding teach at Travis we might have had some downfalls but after being with him for 4 years I don't see why they would make him leave. He made us work hard every day and it payed off, I don't know many awards we won because of him.
Laura	Hebert	75213 My daughter picked up a clarinet for the first time when school started last year. Since then, she has become a great clarinet player and a devoted band member. And she has developed an appreciation for music that is wonderful. All because of Mr. McCann. Please do not take him from the Travis community! We need him! Thank you.
sophie	r	75483 I don't take band but band kids have continuously gone to band competition after band competition and have won, and I know how hard they work with Mr. McCann to make this happen
Jonah	Portinari	75231 Because McCann is on feel and an awesome band director
Campbell	Walker	75214
Shay	Smith	75214
Devin	Sanchez	75253 Mr. McCann has developed the band to its fullest potential and should be allowed to be able to that for many years to come. He truly cares for the band and how it operates. He dedicates so much for the nmband for competitions and performances. He is meant to train Travis' band to be the best band in the nation.
Jack	Garrison	75229 I'm not in band but I know how much Mr. McCann has pushed the band and how much they have improved because of him

160720 McCann Signatures

Roxanne	Rodriguez	75208 Mr. McCann truly cares for his students and his passion for music shines through his students. He works so hard to get the students where they are now. Our children are the ones who will truly be the ones effected by this change.
Alisa	Lin	75001 He was one of the best band directors at Travis...He was such a good leader and the Travis band kids did amazing at the competitions!!! Literally Travis had the number 1 band everywhere because of him!! Without him, the band won't be as good because he was an amazing leader who believed that the Travis kids could excel in what they did and played
Paola	Aceves	75217 we wouldn't have gotten as far as we've gotten if it wasn't for mr.mccann. he's the reason we out so much time and effort into our music. it's not fair that we got disqualified for state honor band because of this after so much time and practice we put into our music.
Joe hannah	Hdz r	75213 One of the best band directors 75208 we should keep Mr.McCann because he's put us through so much work and we've spent hours upon hours practicing our music to perfect it and get better. He was able to make us a great band and great students. He's made us work hard and long to be where we are now. And each year we do greatly at our competitions and it's all because of him. There won't be another band teacher like him who puts us through hard work and time and dedication :)
Avery	Moore	75214 I have loved band this year and would be really sad if Mr. McCann had to move. Please don't make him leave Travis!!
Greg	Moore	75214 Please keep Mr. McCann at Travis. He is amazing and our students need him!
Stephanie	Moore	75214 Mr. McCann is the lifeblood of our amazing band program at Travis! Please allow him to stay and continue his amazing work with our kiddos.
Lisa	Russell	75214 Mr. McCann has worked so hard to create a successful band program with the children that it would be a travesty to force him to leave.

160720 McCann Signatures

Cooper	Deen	75218 Mr. McCann is such a great teacher and seeing him go would be insanely devastating! I had no desire to ever play an instrument...but now I even want to play two! It would break not only my heart but make me reconsider wanting to be in band, something that means so much to me. Please don't let this happen!
Sarah	Zeko	75218 Mr.McCann is a remarkable band teacher, and we'd be totally lost without him! He has taught us so much, and we can't afford to lose him.
Vivien	Allen	75214 Because Mr. McCann is an amazing teacher and is very good at music.
Shahdi	Jalilvand	75204 As a Travis parent and as a parent of a student who has been studying music since first grade, this is extremely important to me.
Lillie	Coleman	75228 Mr. McCan has been a great teacher and has helped us won so many amazing competitions. If he has to leave, our band would not be nearly as good as it is now.
Michele	Wiedemer	75211 Mr. McCann's transfer is not in the best interests of the school or the students.
Kimberly	Huber	75244 Randy McCann is a great band teacher and an inspiration to the kids at Travis.
Michelle	Lorra	75214 Mr. McCann has personally inspired our children to be a part of creating a musical experience that has reached a level that is extremely rare for their age group. I've worked all over the world as a professional singer. I cannot stress the significant impact Mr. McCann has personally had on our children's musical development. My daughter was one of five chosen to attend the Music Memory competition @ The Myerson @ reported his direction as 100% professional. Please Keep Mr. McCann @ Travis!
Erik	Barnes	75229 Mr. McCann has steadily built up this program. Being a professional musician myself, I have heard the progression over the period of two years, from OK to wow. Lesser directors cannot do that.
Yvette	Sauceda	75224 He is an excellent representation of WB Travis.

Caroline	North	75214	During my time at William B. Travis, walking into band class was easily the highlight of my day. I am now entering my senior year at Booker T. Washington HSPVA as a clarinet student, and I never would have had the skills necessary to be accepted without the teachings of Mr. McCann. I'm forever grateful to Mr. McCann for not only inspiring my love for music, but also providing me with the playing ability that has landed me numerous immeasurable opportunities even after my days at W. B. Travis.
Maureen	Mann	75218	This band director is obviously doing his job well where he is - if it ain't broke don't break it!
Catherine Harper	Kelley Jones	75218 75208	Mr. McCann is a wonderful band teacher whom the school wouldn't be the same without. He challenged each and every one of his students to be their best and work really hard. Without him, we will not be eligible for state honor band, and none of us would be as good at playing our instruments.
Susan	Anderson	75214	A good man and a great teacher. He doesn't deserve his. Our children don't deserve this.
Sacha	Troxler	75214	Band has been the only place my son feels like he fits in ...and Mt McCann is a big part of that.
Julie	Coleman	75228	Mr McCann is an inspiration to his students! My daughter is devastated at the thought of losing him as a teacher She said on many occasions that he seems to really like kids and that she wants to work hard for him. She has been inspired by him and has fallen in love with band. If Mr. McCann is forced to leave I feel the moral of the kids will be greatly impacted. So many changes next year already. I don't feel this is in the best interest of the school. Please reconsider this decision!

Donna	D	75218	My son starting playing sax this yr. under the guidance of Mr. McCann. His unequivocal dedication to the students of Travis is obvious. My sons's passion and drive toward excellence, is a direct reflection of McCann's influence! NO teacher with this level of dedication, passion & integrity,should EVER be forced to transfer away from the kids and school who love him so much! Not to mention, the students loss of op. for SHBC! So sad. He deserves an apology and immed.reinstatement as Director!
Ann	King	75214	
Lauren	Myers	75214	A lot of my friends are in band and love him as their director. I don't think k could imagine anyone else in his place. Without him we wouldn't have the great band we have today!
Rick	Harmon	75214	
Ashley	Bull	75208	
Kristi	Bernstein	75231	There is not enough space here to say how great a teacher Mr.McCann is. My son has developed do much in the past year. In fact, he signed up for TWO band electives next year because he would get to work more with him. It would be a tragedy to let such a great man go from the campus.
Lisa	Barnes	75229	Mr McCann is an extraordinary band director who has developed one of the best middle school bands in the state of Texas at Travis. My daughter and fellow students in band have worked hard all year to win the state honor band but will be disqualified if this transfer goes through. Allowing Mr McCann to be transferred against his will and the band to be disqualified is extremely unfair to our students and will tarnish the principal, district and school's reputation in the community.
Suzanna	Hill	75214	
Kathleen	Ekstrom	75244	
Katherine	King	75214	Mr. McCann was my band director, and he was a real asset to Travis.

Emily	Hebert	75214 When I started band in 6th grade, I had no idea how to play my instrument, the clarinet. Not a single note. With Mr. McCann as my band director, I learned how. Band soon became one of my all-time favorite classes. He's so amazing. I have learned an infinite amount from him, and he even brought us to win most outstanding at sandy lake!! I was so was so excited to join band again in 7th grade, but not having Mr. McCann there next year would be devastating.
Robert	Johnson	75214 When i received correspondence regarding Mr. McCann I assumed it might be his selection as DISD teacher of the year. Not his dismissal. My daughter who has had him as Band and Modern Band teacher is saddened. My youngest daughter who had heard so many great things about Mr McCann was so excited to have him as her Band Teacher. I request his reinstatement and formal appology by DISD. His removal is a loss to the culture and hard working attitude that Travis stands for. Sad deal on many levels.
Aren	Cambre	75218 This decision is baffling.
Wilson	Johnson	75214 Mr. McCann is a wonderful director for the students. He brings out the best in them, while teaching them to love music at the same time. It would be a tremendous loss not to have him at Travis.
Luisa	Sukkar	75214 This is important to me because Mr. McCann is a remarkable teacher. He pushes us to be the best we can be, and is irreplaceable. It would be a loss for not only the students, but Travis as a whole to have home gone.
Jennifer	Widhelm	75218 Please allow Mr. McCann to remain at W.B. Travis Academy. He is loved by students and parents and we would feel the loss greatly! Many Thanks!
radhika	reddy	75229 Pleas do not transfer Mr. McCann from Travis as he is on of the BEST teachers we have had. He is the reason why the Travis Band has won so many competitions. Mr. McCann is a great band teacher and all the students look up to him for his amazing guidance. PLEASE MAKE SURE HE STAYS AT TRAVIS! Thank you in advance.

Allison	King	75214	He is an amazing band director, teacher, and music player. He always encourages his students and pushes us to do our best. We work hard to meet the challenges he sets for us. Travis would not be the same without him. Also we all worked very hard all year for the prospect of Honor Band and for all our efforts to be discounted.
Alison	Teelock	75214	
Chloe	Moore	75204	because I want to have him as a teacher c:
Haneen	Amarneh	75244	Mr. McCann is an exceptional band director who has everyone's best interest in mind. It would be unfair to the students' hard work to get this far only to be disqualified. It's not right.
Noelle	Neville	75206	He helped me learn how to play the flute, and I want to continue learning and progressing with his help.
Alex	Johnson	75214	Mr. McCann was my band teacher for four years and have taught me as well as everyone else he has taught an immense amount of information about playing an instrument, music and such.
Olivia	Neville	75206	He was my band instructor for 4 years and he was such an amazing teacher and he taught me so much during my time in his band.
Violet	Wiedemer	75211	Mr. McCann was a great band director and he was the reason that our band was so good. Also, there is no real valid reason that u have seen that would want to get Mr. McCann moved. He didn't want to leave and was a wonderful teacher b
Leon	Heymeier	75218	Mr.McCann has been my band director now for two years. I think I speak for all of us at Travis, when I say Mr.McCann has a place in our hearts, and in our school.
Tia	Cole	75007	I strongly believe that letting Mr.Mccann go is a mistake.
Josh	Flowers	75229	Mr. McCann is one of the hardest working teachers at Travis who always has the students' best interest in mind. He is an incredible teacher who has contributed greatly to the school and it's local "fame." Transferring him is NOT the way to go!!
Hannah	Scott	75229	I never was in his class and I never met him but I've heard lots of great things about him. Everyone seems to love him and the Travis family just won't be complete without him!

Sally	North	75214	Mr. McCann has been my band director for four years now, and he has taught me how to play the flute. We have an entry in the state honor band competition, and if he is not our band director next year, then they will pull our entry. It would be a shame if we lost our amazing bnd director, Mr. McCann.
Maddie	Bramlett	75214	Mr. McCann is the best band/music teacher I have ever had and his class was the class that you could always look forward to for a good experience learning new instruments. We want Mr. McCann to continue educating Travis students. Don't take take him away from Travis.
Abigayle	Lopez	75159	Because band is like another family and without Mr. McCann this family will be torn apart. And I bet without Mr. McCann our band will go downhill fast cause we want to be taught by the best MR. MCCANN!!!!
Priscilla	Cedillo	75228	
Nick	Neville	75206	This is important to me because it is important to my daughters. They both have cherished his leadership!
Sabina	Bramlett	75214	Travis needs Mr. McCann and it would be extremely unfair to the current Travis band to lose him and be disqualified from the state competition.
Thais	Wise	75208	
Neal	Harmon	75214	
Robert	Portinari	75206	Mr. McCann has made the Travis band a nationally recognized band and his efforts and dedication to the continued success of the Travis band is second to none. He is irreplaceable and I pray and hope that he is allowed to stay at Travis. My oldest son is going to 8th grade and I have my youngest starting in 4th.
Melanie	Wester	75204	Mr. McCann is an extraordinary Band Director and musical inspiration to our children. The Travis Band has a winning tradition under him & is one of the shining stars of our school. I never fear, "mom, I'm going to practice my clarinet" because he has motivated them to be the best they can be - just listen to them play & that is proof enough of his excellence!

Teresa	Thornburg	75214 We have been eagerly awaiting 6th grade to join the band. Mr. McCann is a treasure to the Travis community and it would be a great loss to the student body as well as an unfair and disruptive change for Mr. McCann. We hope and pray that this transition does not occur and Mr. McCann can continue his gifts of music at Travis.
Deanna	Squibb	75229 He's a great band tracher
Mikayla	Widhelm	75218 Being in band is like having a another family. Mr. McCann is also apart of that family. If we lose him, it's like losing part of our family. He helps us so much.
Ileana	Cuevas	75214 Because TRAVISTAG has an awesome band and we need Mr MCCAnn!!!!'
Jacob	Walter	75214 I'm a Travis parent
Tina	Stanley	75214 It is important to me because Mr. McCann is a phenomenal band teacher. His students love and appreciate him. My daughter was going to quit band after her first year but decided to stay in band because of Mr. McCann. He'd encouraged her to be confident in her ability to play. And, he doesn't want to leave. Good teacher who doesn't want to leave and kids are thriving equals success!
Katherine	Harmon	75214 This is a baseless and ludicrous transfer, with ZERO regard for the best interest of the children! There has been no misconduct or poor performance. This should actually be a petition for him to be votesd Teacher and Band Director of the Year for DISD, and for him to receive a public apology.
Kacy	Jones	75208 He is a phenomenal band instructor and the transfer is not justified. Most importantly the kids will be ineligible for state honor band.
Crystal	Lopez	75217 This is not acceptable behavior from a school principal at one of the best schools in the nation! Travis is known for their great band due to be Mr. McCann and this not acceptable.
amy	wilroy	75214
Joe	Rodriguez	75208
Carrie	King	75529
Andrea	Chaney	75208 Mr. McCann has challenged our kids and made them better musicians and students.
